Mount Pocono Municipal Authority:

The Mount Pocono Municipal Authority was created by the Borough of Mount Pocono in the accordance with the Municipality Authorities Act of 1945. The purpose of the Mount Pocono Municipal Authority is to acquire, hold, construct, improve, maintain and operate a sewer system, sewage treatment plant and proper equipment for use in the connection therewith for the Borough of Mount Pocono and for other territory as it may be authorized to serve.

The Wastewater Treatment Plant (WWTP) is managed by Lou Alexander, the Plant Operations Manager. Mr. Alexander and three members operate the plant smoothly in compliance with the regulations set forth by the Department of Environmental Protection (DEP) and the Environmental Protection Agency (EPA). In fact, in the fall of 1996, the EPA awarded the Mount Pocono Municipal Authority with the Operations & Excellence Award for the Most-Improved Plant! All of the members of the WWTP worked very diligently to receive this award. The community should be proud of this achievement.

Office hours are 8:00 A.M. to 4:00 P.M. If you have any questions, please feel free to contact the Mount Pocono Municipal Authority at 570-839-8963.
